

A diagram showing a light blue rounded rectangle with a thick black border. Inside the rectangle is the Greek letter Psi ( $\Psi$ ). Below the rectangle, there are three vertical gray lines. The first line is on the left, the second is in the middle, and the third is on the right. Between the second and third lines, there are three dots. Below each vertical line is an italicized label:  $i_1$  under the first line,  $i_2$  under the second line, and  $i_N$  under the third line.
